**PROGRESSIVE DINNER RECAP**

April 16, 2011, turned out to be the perfect night for our annual Progressive Dinner. The weather was beautiful and everything went as planned (in other words, no major problems which is hard to manage with an event of this size and complexity!!) One hundred twenty-eight people signed up for this always fun event. Guests enjoyed meeting new friends and visiting with old friends in a variety of settings, from the appetizers with the whole group, to dinner with 8 members, and then dessert with 16 members. This event took over 50 VOLUNTEERS to make it all happen!!! I can't begin to list every task each person did or everything involved in planning this event but I do want to list the general categories and the volunteers because without them, this event wouldn't have happened. You will notice many people did more than one or even two jobs. VOLUNTEERS MAKE IT HAPPEN!! THANKS!!!
